

# Family, Love & Other Stuff

Rants and rambles about everyday life in a positive environment. Come, join the controlled chaos.

## About Family, Love and Other Stuff

I started [Family, Love and Other Stuff](#) as a way to share rants and raves about my family, arts, crafts, recipes and everyday life in a positive environment. It has evolved and now I have incorporated deals, reviews and giveaways. I have stayed true to myself while allowing the blog to grow. I also have another blog, [Teal For Life](#), to support Ovarian Cancer Awareness. Teal for Life is a tribute to my Mom.

## About Sherry

I am a stay-at-home homeschooling Mom of two toddlers. After college, I worked in the Customer Service and Leave Administration fields for 15 years before becoming a stay-at-home Mom and blogger. I have been married to my supportive husband for 13 years. I am learning to see the world through my children's eyes and I want them to grow up in a positive environment and that is what I bring to my blog.
