#### About Sherry

I started this blog as a place to rant and rave about products, life, love, kids and whatever came my way. Family, Love & Other Stuff began as a family blog about food, health and family. It has grown to include recipes, crafts, reviews, giveaways and coupons. I am still keeping with the family, food and craft theme as my motivation.

#### Brand Partnerships

EVE ECHO, Gigi Colette Originals, Cook'n, Campus Book Rentals, Spanx, Smilebox, SavingsAngel and more.

## WHAT IS MISSION GIVEAWAY?

**Vision:** Mission Giveaway started with the \$100 story where with \$100.00 [several people received the help they needed](#). We are on a mission to help people. We have gathered some of the most benevolent and influential bloggers to take the journey to help affect change.

The idea is one prize to win and one prize to give to someone else. We believe you can unite people by sharing, providing and caring and we are offering the means to do those things. In 2012 we hope to change the world one giveaway at a time.

Amee is the owner of [Mission Giveaway](#) and [Madame Deals, INC](#). In one year Amee has taken Madame Deals from 5,000 viewers to 50,000 readers daily. She is a Lifetime Television mom and she has appeared on the All You Magazine Blog.

**Imagine:** You can have a team of at least 25 influential bloggers with each blog reaching 10k customers. That is 250k potential customers exposed to your company! The Mission Giveaway event allows you to reach and connect with your audience by providing them with an experience not just a prize.
